SUMMARY OF THE REASONS FOR DECISION:

The video recording entitled *Killer Cumshots#3* is classified as:
Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years.

The video recording contains a compilation of unrelated, but generally dated, scenes that all explicitly depict sexual activity. The sexual activity presents as friendly, consensual and mutually pleasurable. While there are some degrading, dehumanising and demeaning aspects in the manner in which this is presented, these are not to such an extent or degree that the availability of the publication is likely to be injurious to the public good. However, the explicit manner in which the sexual activity is depicted, including the degrading, dehumanising and demeaning elements, makes the publication inappropriate for a non-adult audience. Consequently, the availability of the publication is likely to be injurious to the public good unless it is restricted to an adult audience.

The classification of this publication as a restricted publication represents a limit on the freedom of expression as set out in s14 of the New Zealand Bill of Rights Act 1990. However, considering the explicit sexual nature of the publication, restricting the publication to an adult audience is considered to be the least intrusive option available to achieve the objective of preventing the likelihood of injury to the public good. The Classification Office believes that such a restriction is a reasonable limit that is consistent with the values of a free and democratic society.
